F C Bb Gm  
I can feel You in this place  
Dm C Bb  
Like I've never felt before  
F C Bb Gm  
I can finally see Your face,  
Dm C Bb C – F/A  
And now I know for sure

## **Pre-Chorus**

Bb C F  
Every time I dreamed I dreamed of Jesus  
Bb C F  
And all my heart's desires are met in You  
Bb C C2/A Dm6 Bb  
Every single moment I felt heaven open wide above my head  
C F  
I was feeling You

## **Chorus:**

C Bb F C  
You are my wildest dreams  
C Bb F C  
You are my desperate cry  
C Bb F Bb(or Dm6) C  
You are the reason I've been searching all my life  
Bb C F  
Lord, I run to You

F C Bb Gm  
I can feel Your holy touch,  
Dm C Bb  
And it carries me away  
F C Bb Gm  
Your whispered words of love and healing  
Dm C Bb C F/A  
Lord they lift me from this place
