C#m B A
I will rise in the morning
C#m B A
Just to hear You whisper my name
C#m B A
I've been swept by a thirst for Your presence
G#7 C#m B
And everything in me is calling Your Name

Chorus:

E A B C#m
And all I can say is "Thank You, Lord,"
E A B C#m
And all I can do is praise Your Name
E A B C#m
You're everything wonderful and pure
F#m B E
And the rest of my life is Yours

Bridge:

Everything in You is awesome and holy
C#m B
And everything in me is standing amazed

C#m B A
I've walked in the cool of the morning
C#m B A
With my heart in the hands of a King
C#m B A
I've been swept by a passion and longing
G# C#m B
To lift up the One who has taught me to sing
