**Intro:** E – C#m – A – B

E  
My heart is ripe with wonder  
C#m  
My soul is under siege  
A B  
As each new wave of mercy washes over me  
E C#m  
My heart cries for freedom  
A B  
I'm crying out for You (Lord)

**Chorus:**

E F#m  
Rise up– my Savior  
A B F#m  
And save me from the same old song and dance  
E F#m  
Rise up – inside my heart  
A B F#m  
Change my life and change the world with me

**Bridge:**

E G#/D# G#/C C#m  
I am thirsty – I need Your Holy Spirit  
E G#/D# C#m B  
Come, Lord Jesus, have Your way

E  
You thunder over the ocean  
C#m  
Your voice strips forests clean

Each word like fire and water rising up in me  
E C#m  
Come, Jesus – come quickly  
A B  
I'm crying out for You, Lord
