I've heard of Your power, I've heard of Your grace
Am7 Em7 F G
I've heard of Your mercy and Your beautiful face
C F
Still I've longed to hear Your heartbeat,
C F
Still I've longed to feel Your touch
Am Em7 F G
Now You've opened up the floodgates and You're washing over me

Chorus:

C Em Am F C
I see You now, Your hands of mercy reaching out
G
To wipe these tears away
C Em Am F C
I hear Your voice, You're calling me home again my Lord
G
And I am not afraid

Bridge:

Am D/F# F
I see You, Lord, You change my life, My thirsty soul is drinking now
Am D/F# F
I see You, Lord, You're beautiful, and I'm alive and breathing

C F C F
If I'm walking through the valley, Lord I'm willing to wait
Am7 Em7 F G
It's still enough to know You're near me, I will hold to You in faith
C F C F
Still I long to hear You call me, long to feel Your hand in mine
Am Em7 F G
You know I'm certain that You love me, will You open up my eyes?
