© 2006 Zach and Sarah Blickens

C Am7 F Dm C Em
Everything is, everything is beautiful when I walk beside You
C Am7 F Dm C Em
The air I'm breathing, and everything beneath my feet sings of Your beauty

Pre-Chorus:

Am F
Your voice speaks to oceans wide
C G Dm F
Sends them to the shoreline crashing over me
Am F
My heart aches to sing these songs
C G Dm F
To join a million voices calling out Your Name

Chorus:

C Em Am F
Hallelujah – Hallelujah

C Am7 F Dm C Em
Everything is, everything is new again when You walk beside me
C Am7 F Dm C Em
I feel You breathing, Your whispered words wash over me, You're overwhelming
