

# I'VE GOT THE JOY

© 2000 Zach and Sarah Blickens

**Intro:** A9 - D9

                  A                  D  
I feel Your love washing over me  
                  A                  D  
I feel Your peace come to set me free  
                  A                  D  
I feel Your joy filling up my life  
                  Bm E D E  
And it feels so right

**Pre-Chorus:**

F#m          E                  D  
I can feel it coming time  
F#m          E                  D  
Feel it rising in this place  
F#m          E                  D  
All creation groans to see You  
R#m                  E                  D E  
It's time to finally see Your face

**Chorus:**

                  A                  E  
I've got the joy – running through my veins  
                  A                  E  
I've got the joy – in my heart again  
                  A                  E  
I've got the joy – in my Jesus' name  
                  F#m                  E                  D E  
And it feels like I'm alive for the very first time
