

RESCUE ME

© 2006 Zach and Sarah Blickens

Am Em
You came by my heart today
G CM7
Let's go walking like we used to
Am Em
But I was busy, busy as sin
B7 CM7
Gonna have to wait for another day
Am G D/F# C
And so You walk away – what am I supposed to say here, now

Chorus:

C G
Is there some way You can rescue me?
C G D/F# C
Some way You can bring me home again?
C G C G
Some way You can rescue me? Rescue me, rescue me

Am Em
I know its all gonna be OK
G CM7
You draw me gently to Your presence
Am Em
But I've been headstrong, I've been hard, hard hearted
B7 CM7
Help me live my life a little more like You
Am G D/F# C
You make all things new, but I've been struggling to stand beside You, Lord

Bridge:

Am Em G Am
'Cause I'm broken, lonely without You
Am Em E/G# F D C
Left holding empty hands to heaven now
