

STILL

© 2006 Zach and Sarah Blickens

D A Bm G
I feel empty – I feel afraid
D A Bm G
But even though I - I feel this way,
D A Bm G
Doesn't mean I have nothing to stand on in the rain
D A Bm G
I fall on Your grace – I trust that You won't forget me
D A Bm G
But even when I can't see through the pain
D A Bm G
Doesn't mean I have nothing to stand on in the rain

Chorus:

D D/C# D/F# G
Still You are God – still You are holy
D D/C# D/F# Bm G
Still You are God – still You are holding me safe in Your hands

D A Bm G
I wait for the sunrise – I'm watching the Eastern sky
D A Bm G
But even though I - can't feel You tonight
D A Bm G
I know that I'll find You standing beside me when Your light fills the horizon

Bridge:

Bm F#
Though my sunlight fade to gray
Bm F#
Though the mountains fall to powder
Em D/F#
When I lift my eyes again
G A
I will see You standing faithful
